Schedule TO-I filed January 16, 2024; Offer to Exchange
Conditions of this Offer, page 21

1. We note that you have included a condition ((c)(i)) that will be triggered by any general suspension of trading in, or limitation on prices for, securities on any national securities exchange or in the over-the-counter market. Please revise to explain what would be considered a limitation on prices for securities on any national securities exchange or in the over-the-counter market, or delete this language. Similarly, in condition (c)(iv), please revise to explain what would constitute "any limitation, whether or not mandatory, by any governmental, regulatory or administrative agency or authority on, or any event that might affect, the extension of credit by banks or other lending institutions in the United States," or delete.

2. We note the inclusion of a condition ((c)(iii)) that will be triggered by "the commencement or escalation of a war, armed hostilities or other international or national crisis directly or indirectly involving the United States," without any materiality qualifier on the gravity of such an event, without requiring any connection between such an event

and the Offer, and without limiting the event to one directly involving the United States. The broad wording of this offer condition gives rise to illusory offer concerns under Section 14(e) of the Exchange Act and Regulation 14E thereunder. Please revise to narrow or qualify this condition, or advise. Similarly, we note that condition (c)(v) broadly refers to "any change in the general political, market, economic or financial conditions in the United States or abroad that could have a material

adverse effect on the
business, condition (financial or other), operations or prospects of
Arcutis or on the
trading in shares of our Common Stock" (emphasis added). Please revise
to narrow or
qualify this condition, or advise.
Extension of Offer; Termination; Amendment, page 31

3. We note the following disclosure on page 32: "In the case of an
extension, the amendment
must be issued no later than 8:00 a.m. Pacific Time on the next U.S.
business day after the
last previously scheduled or announced Offer Expiration Date." Please
note that under
Rule 14e-1(d), your announcement must be made no later than 9:00 a.m.
Eastern time on
the specified date. Please revise.

We remind you that the filing persons are responsible for the accuracy
and adequacy of
their disclosures, notwithstanding any review, comments, action or absence of
action by the staff.
